**Re: Easterbrooke Cellular Corporation (West Virginia)
Interstate Access Certification
CC Docket 96-45**

No. of Copies rec'd 014
List A B C D E

Dear Ms. Dortch and Ms. Flannery:

On behalf of Easterbrooke Cellular Corporation ("Easterbrooke"), we hereby forward the attached certification for interstate access support ("IAS") pursuant to FCC Rule Section 54.809. On June 7, 2003, Easterbrooke was designated as an eligible telecommunications carrier ("ETC") in the area served by Verizon South, Inc. - West Virginia, a price cap local exchange carrier.

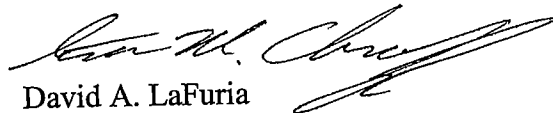

Pursuant to Section 54.809(c) of the FCC's rules, Easterbrooke submits this certification contemporaneously with its first set of IAS line counts due June 30, 2003. Because Easterbrooke's first IAS line count filing deadline following its ETC designation coincides with the June 30 annual IAS certification deadline, we request that the attached certification be treated as both Easterbrooke's initial IAS certification and its annual certification.
